

## Please help us celebrate our March Volunteer of the Month - Ann Sinnott!

Thank you Ann for allowing us to showcase your volunteerism in Parkview!

Ever since we started talking about this post a few weeks ago, I have thought about you when I take my kids to the Parkview Playground. My family, and SO MANY other families are truly the beneficiary's of your volunteerism. THANK YOU Ann!

We asked Ann a few questions regarding her volunteerism in Parkview.

**Q:** In what program(s), or in what capacity have you volunteered your time to the Parkview community?

**A:** I have volunteered in many ways. My first venture was to volunteer for the Parkview Community League Board - this was before I even had kids. I was the Special events coordinator. I organized the volunteer appreciation event for two years. This was back when we still sent invitations in the mail! After that I volunteered in a few different roles: Secretary for the Board, regular Tot-Time volunteer, Board member of the pre-school, Co-Chair of the Playground Redevelopment Society, perogy maker for the Christmas craft sale, and many, many hours doing whatever else needed to be done: picking up garbage, flipping pancakes, selling beer, cleaning up the hall, selling Stawnychy sausage or IGA gift cards, setting up/tearing down and painting fences, whatever Val Bright told me to do!!

**Q:** What Parkview event or project are you looking forward to, the most?

**A:** I am looking forward to the Volunteer Appreciation event on March 16, it seems fitting since it is where I started and this time I didn't have to organize it!! Thank you to the new coordinators!

**Q:** What is your favourite thing about living in Parkview?

**A:** My favorite thing about Parkview is my neighbours! And to be clear, everyone is my neighbour!! My husband hates when I go to IGA late in the afternoon on a Friday in June. It takes me over an hour to get home with the jug of milk because I run into half the neighbourhood and have to stop to catch up with each and every one of them!! I love living in this bubble!
