

## Please help us celebrate our May Volunteer of the Month - Jody Nickerson!

Thank you, Jody for allowing us to showcase your volunteerism in Parkview!

We asked Jody a few questions regarding her volunteerism in Parkview! Read her answers to our questions, below, to see why she was nominated!

**Q:** In what program(s), or in what capacity have you volunteered your time to the Parkview community?

**A:** Like many moms in the neighbourhood, I began this volunteering journey with Tot-Time at the Parkview Hall. I shared the coordinating duties for a few years with many wonderful women.

When my oldest daughter started Parkview Preschool, I wanted to use my teaching background to help with the school. I have held many Preschool Board positions throughout the years including President for two terms.

I was also been on the Parkview Community League's Board of Directors, again wearing a few different hats.

I have worked on or coordinated a variety of the social events throughout the years: Summer Solstice Food Truck Event, Preschool Dessert Auctions, Tot-Time Halloween Parties, and children's activities at the Christmas Craft and Bake Sale.

My husband Rhett and I have also been involved with the soccer program in Parkview, usually acting as coach and manager of our daughters' U4 - U7 teams.

As my children have grown, most of my time has shifted over to Parkview School where I have been on the Parent Council for many years. Our PAC has been involved in many events in the community and I always love helping out with all of them.

**Q:** What Parkview event or project are you looking forward to, the most?

**A:** To be honest, I am so tired of the barbwire fence surrounding the rink!! I am excited for the Outdoor Revitalization Project. I can not wait to see the finished project!

**Q:** What is your favourite thing about living in Parkview?

**A:** It does take a village to raise a child (or three!) and Parkview is a stellar village. I can count on many people in this village to support me and my family and that is a beautiful feeling. ♡
