PARKVIEW COMMUNITY LEAGUE BY-LAWS

By Ray Friedman & Bryan Sandilands

The original by-laws of the Parkview Community League, drafted in 1963, are in desperate need of revision. Many elements need to be rewritten, to accommodate notices via email, for example. Some clauses were relevant for the time but have little to no flexibility in an era of extensive commitments to other things in our lives. For example, procedures actually require monthly meetings of the general membership, not just the board. Proxies were not allowed in 1963 but are commonplace today, but we cannot yet allow for them. Should the board have the power to fill vacancies, for example? In other cases, the Annual General Meeting needs to have more power (e.g., to ratify board policy decisions.) There is a new Societies Act we must adhere to. There is also a new Tripartite Agreement between the City and the Federation of Community Leagues that sets out other requirements.

We need to have the new Proposed Bylaws ready to be discussed, and debated before the next AGM. Only a meeting of the full membership can approve Bylaw changes and it requires a 75% quorum of members to be present. So please, go to our website (pvcl.ca), read the draft, compare the existing Bylaws to the proposal, and join the conversation.

PLEASE READ THE DRAFT ON WWW.PVCL.CA & JOIN THE CONVERSATION!

RECREATIONAL FACILITIES PLANNING

By Bryan Sandilands

We would like to begin a preliminary conversation about land use and recreational facilities planning for the Parkview Park. The League has an opportunity to refurbish and / or redesign a portion of our park space and would like to ask for your thoughts on current and future facilities. Please take a few minutes to complete our survey either by cutting and pasting following link into your browser or by scanning the QR Code, which will take you directly to the survey.

Thank you for your time and feedback. The board will develop a formal planning process in the coming months. Please be sure to check our website and newsletter for updates.

2015 Summer Solstice Food Truck Over 400 attended!

By Debbie Braun

While rain clouds threatened the skies over Parkview this past July 21, our strong community spirit wasn't dampened for our 3rd annual Food Truck Event. Over 400 attended with picnic blankets, lawn chairs, and rain gear for the inevitable shower or two throughout the evening.

Food trucks this year included a couple of favorites from our past events; Little Village and Fat Franks. New this year was the Local Omnivore who offered gourmet home-smoked meat

sandwiches, and Orbit with an array of delectable tacos. Another addition was One Cool Cookie, serving up ice cream sandwiches made with home-baked cookies and Pinocchio gelato. Mmmm good!

For the first time this year guests enjoyed local live music, performed by The Original Six, to accompany the great local food. With a repertoire of old and new tunes covering a variety of musical genres, the band had everyone rocking through the night.

Thanks to the many volunteers, participants, band, and food trucks! Great people – great event!

Next Food Truck booked for **June 25, 2016**. Mark you calendars!

Christmas Craft & Bake Sale

Saturday, November 28, 2015

10 a.m. - 4 p.m.

Parkview Community Hall

The Parkview tradition.

It comes every year, late November. Snow storm, guaranteed.

We're bringing back the event for all ages. All of the favourites remain the same, but there's something big you need to know.

Order Pies. We love to eat 'em, but they're hard to get. Too many times, we leave without one. Don't be disappointed again. Pre-order your homemade pies on-line and pick them up at the sale. Frozen, ready to bake in your own oven. Ahhh, that wonderful aroma. **This time-limited option is available beginning October 1.** Visit our new craft sale web page at www.pvcl.ca. (\$15 each. Maximum 2 pies per household.)

New craft sale web page. We're working on it. A new look, too. Check us out. If we're not quite ready, we will be soon. www.pvcl.ca

Volunteer. Lots of work. Lots of time. Spread it around and make this community shine. Sign up for a shift, bring a friend. It's fun and what makes our community strong. **Volunteer sign-up available on-line.** Email volunteer@pvcl.ca.

Baking. Those wonderful treats we whip out for unexpected guests, or take to our neighbour. We need your help to fill our community tables. Please share with us your best and most favourite. Bring your fine baking to us Friday night/Saturday morning. We'll dress them up and someone will enjoy them at home.

Kids' stuff. It's all back to keep them busy so you're free to have a look around. Colouring contest, gingerbread house decorating, and Santa. Sleigh rides for the whole family.

Shop. They worked their fingers to the bone or burned them with hot glue. Their task, making treasures for you. Artisans fill 28 tables of hand-crafted wares for unique gifts. **Cash purchases only.**

Bake table coordinator. Your gifts are taming chaos and making things look great. Looking for someone to head up the organizing, packaging, and pricing of the donated baking.

EXCITING NEW SCHOOL YEAR AT PARKVIEW PRESCHOOL!

By Jody Nickerson

Parkview Preschool is a non-profit, parent cooperative school that is located on the 2nd floor of the Parkview Community League. We have three different classes for the upcoming school year. We have a three-year-old class on Tuesday and Thursday mornings, a four-year-old class on Monday, Wednesday and Friday mornings, and a blend class on Monday, Tuesday and Wednesday afternoons. To find out more about our programs or any open spots, please contact our Registrar Nicole Darsaut at 780.965.9147.

Parkview Preschool is directed by a volunteer executive and is a sub-group of the Parkview Community League. As a non-profit parent cooperative, all parents are required to volunteer for one toy wash per year and one fund-raising activity. As well, parents are asked to contribute or donate occasional supplies, assist with fieldtrips, special events and have the option to participate on the Executive Board. Our Teacher and Educational Assistants achieve the goals of the school through classroom activities, such as:

- Free play (children are encouraged to create, explore, share, problem-solve, play cooperatively, etc)
- Calendar, weather, etc
- Story time, sing-a-long and action songs, etc
- Exercise, games and gym-time
- Music and stories on tape and rhythm instruments
- Crafts, painting, colouring, cutting, creating
- “Show and Share” and “Busy Bee” responsibilities
- Class parties on special days throughout the year
- Field trips, special events and invited visitors
- School readiness skills

Registered families, please mark your calendars for the following dates (please remember that this year's dates are a bit later than usual due to labour day falling on September 7th) :

- o Thursday, September 10th, 2015 (3 yr old class) 10:00 am to 11:30 am

Note: The Open House is offered as a way for students to get to know the teacher and familiarize themselves with the classroom. A parent/caretaker comes with the child and stays with the child for any amount of time.

TOT TIME! JOIN US IN SEPTEMBER

By Jill Vihos

Are you a parent or caregiver with a child under six? Do you have free time on Tuesday mornings? If you said yes to both questions, please consider joining us at the Parkview Community Hall for Tot Time!

Tot Time is long-standing volunteer program bringing parents, caregivers and preschoolers together in the Parkview Community. This program is a wonderful opportunity for toddlers and preschoolers to meet peers in the community while engaging in fun and physical activity. Tot Time also offers parents and caregivers a chance to create connections with community members.

Tot Time will resume on Tuesday, September 15, 2015 and will run every Tuesday from 0900-1100. We will continue with the same format that includes play time/craft, snack and song circle. Major dates for the 2015/16 Tot Time Year are:

September 15, 2015 – First day of Tot Time

October, 24, 2015 – Annual Halloween Party

December 15, 2015 – Last day of Tot Time for 2014

January 5, 2016 – Tot Time resumes

March 29, 2016 – Spring break (Tot Time cancelled)

June 2016 – Last day of Tot Time for 2015/16 (TBA)

To attend Tot Time, an active community membership is required for insurance purposes. Memberships can be from any community in the city. Information about Parkview Community League Membership can be found on the PVCL website. Each week, we collect a small fee of \$1.00 per child. This payment is allocated toward operational costs including craft supplies and toys, and seasonal parties.

If you have any questions about Tot Time, you can contact Jill or Jenai at tottime@PVCL. We welcome all community members! You can also access the PVCL website and Facebook for any important Tot Time announcements.

We hope to see you in September!

Sincerely,

Jill Vihos and Jenai Christensen

QUESTIONS I'M ASKED ABOUT FEEDING BIRDS

By Dave Cleary

Q: What are the sparrow sized birds I'm seeing at my feeders with dark stripes on their breast and yellow flashes in their wings?

These are Pine Siskins. After not seeing them around much in the past two years, it's exciting to hear from customers in both the country and city reporting them at their feeders. Siskins are often seen with American Goldfinches at feeders, and like the Goldfinch, Siskins enjoy black-oil sunflower seed, chips and Nyjer. The Pine Siskin is the most common of the "winter finches" to be

found at your feeders...but not every year. The Pine Siskin irruption migrations mainly occur when the seed crop has failed in the boreal forests. An "irruption" migration usually takes place every two or three years that can bring large numbers of Siskins to your backyard. Will this be one such year?

Q: What binoculars should I get for watching birds?

Binoculars are a great investment. There is nothing more frustrating than seeing an unusual bird in your yard that you can't get a good look at. Binoculars can increase the enjoyment of your birds substantially. If you have an old pair, you will be surprised at how much the technology has improved. They can be a bit confusing to select ranging from opera style glasses to high magnification, high priced beauties. Prices vary depending on their quality, weight, and feel but you should be able to find a pair in your price range that will make you happy. Birders banter back and forth whether an 8x42 or 10x42 set is best but most birders recommend 8x42 glasses. The

first number describes magnification - 8 or 10 are the most commonly used, 10 being higher power. The second figure refers to the size of the light collecting lense at the front - the bigger the front lense the brighter the image. While Tim the Toolman Taylor would always want more power (10 over 8 in this case), we recommend 8's. They provide a wider field of view making it easier to find the bird, and the image is less shaky. A good warranty is important. Some offer lifetime, no fault warranties such as offered by the Vortex brand.

Q: Doesn't feeding birds in the fall prevent them from migrating?

You need not worry that feeding your birds this fall will cause them to linger too long in your backyard and miss the migration season. Birds have natural rhythms they follow that are triggered by hormones or the shortening or lengthening of the day during Fall and Spring. The urge to migrate is also dependent on food supplies. Birds that migrate south in colder months tend to be bug eating birds. Many of the seed eating birds do not migrate. Finches will stay further north if there is a good cone seed crop in the boreal forest. Climate warming and the presence of backyard feeders have influenced some birds to move further north. But when the time comes, some species of birds will migrate as their nature requires, regardless of what we do.

Dave Cleary and Jan Chapman are owners of Wild Birds Unlimited at the corner of 122 St and 107 Ave on the northside in Edmonton. The mission of Wild Birds Unlimited is to bring people and nature together. See their website at www.wbu.com/edmonton or call them at 587-521-2473.
