## VOLUNTEER APPRECIATION REFLECTION

Parkview Community League hosted our Volunteer Appreciation Night on Saturday, March 16th. Over 130 attendees enjoyed an evening that was supported by the volunteer efforts of our youth and young adults of the community. They set up, greeted, served, cooked, provided music and cleaned up. Our "VIP Guests" were treated to an evening of red carpet treatment to show love and appreciation!

Special thanks to the event committee: Tami & Keven Lackey, Michelle Pollock, Court Davis and Justen Lackey. Michelle was responsible for transforming the hall and making it sparkle with the beautiful decor. Court gathered & coordinated all of our volunteers for the event, such a treat. Justen was our chef and filled our bellies with yummy food!

David Wilk took care of making sure we had great beverages for the evening. Jonah Mallett filled the hall with live music throughout the night. Kristie Edwardsen created a wonderful video montage of photos showing volunteers past and present, that was played throughout the evening.

Thanks to all of the volunteers for the event. Camren Lackey, Benton Schiebel, Page Davis, Evan MacDonald, Landen Lackey, Julia Mallett, MacKenzi Lackey, Nancy Davis, Allan Davis, Brayden Lackey, Evan Sweetland, Matthew Podmore, Mattao Naccarato, Massimo Naccarato, Jaiden Edwardsen, Ricky Mallett, Al Kreklau, Denise Kreklau & Our Young Artist (Portraits by Jaren) Jaren Edwardsen.

## OUTDOOR REDEVELOPMENT UPDATE

It's an exciting time for Parkview, as the Outdoor Redevelopment Committee received approval from the City for the project's concept stage. This includes rehabilitation of the skating rink area to increase its functionality during non-skating months by implementing a sand court area. Modification of the existing tennis courts into a new outdoor open space and social area is also planned. Creating a space and development that caters to all community residents, including more diversity, is a focus.

An Open House will be held May 11 between 11am and 1pm. Some Outdoor Redevelopment Committee members will be present to answer questions about the project. At the Open House, we encourage your comments and participation.
