YARN NIGHT & TEA

September 14, 2017 was our first Yarn Night & Tea. We have gathered every second and fourth Thursday of the month, from 6:30pm-9:30pm in the boardroom in Parkview's Community Hall. We took a break during July and August, but we will start up again in September.

It has been a very successful endeavor, building community over the fellowship of yarn projects! We saw a vast variety of ages and skill-sets attend and everyone contributes to the positive energy of these special evening gatherings.

It is a no cost, drop in event, folks come when they can and stay for as long as their schedule allows. The tea is always on and there is usually a treat to go with the fibre (knitting, crocheting, & needle point).

While there isn't a teacher there is always a lot of teaching, and support is only an arms reach away making these evenings a great low-impact opportunity to begin your foray into fibre.

Please consider joining this delightful group of people on our next evening:
