

parkview COMMUNITY NEWSLETTER

PRESIDENT'S MESSAGE

Bryan Sandilands

Our Winter Issue of the Parkview Community Newsletter is always an appropriate opportunity to give thanks to the many volunteers, friends and neighbours who, in league, work to create community through partnership. Along with me, please offer your thanks to someone you know who is involved in your community and consider giving your time, as well. We would love to see you, again.

This particular edition is bittersweet as we bid a heartfelt thank-you and farewell each to our Newsletter Editor, **Denisa Leitch**, and Advertising Coordinator, **Louise Clarke**. Denisa has produced this outstanding magazine for eight years (32 editions!) and Louise is an incredible community and local business supporter. In their steads, we welcome **Andrew Koning**, Editor, and **Gillian Minsos**, Advertising, to fill talented shoes.

My special thanks to **John Corie** and his family for supporting his leadership as President, and now as Past-President, of the board for these last three years. The league is in excellent financial shape with exciting projects on the horizon. My thanks, also, to our Secretary, **Ed Braun**, and Treasurer, **Jeff Lucente**, and their families, for supporting both to serve another term on our executive committee. Thanks to the rest of our board members and league volunteers – many of whom you will recognize from the list of Contacts. Special thanks, also, to **Jody Nickerson** and her family for supporting her leadership as President of the Parkview Playschool and to **Jill Vihos** and **Jenai Christensen** for their continuing commitment to Tot Time.

Halloween returned with fun for all: the **Kids' Party** was incredible with tasty treats, craft and event tables, a mini-haunted house, dishes of peeled grapes and spaghetti, and completed by an indoor bouncy castle; and, of course, the **3rd Annual Parkview Halloween Ball** – Parkview's Must-Attend Event of the Season – delivered outstanding costumes (congratulations, Beetlejuice!), gourmet appetizers, deejay, light show, photo booth, free Fat Franks, and complementary cabs home! It's an event to remember, if you can get a ticket. Please join me in thanking **Carrie Candy**, **Michelle Pollock** and **Tami Lackey** for their commitments to Parkview *fun*-raising.

Speaking of hot tickets, I would also like to thank **Deb Braun**, our Hall Rental Agent, for her role in bringing the **Northern Lights Folk Club** to Parkview this season. And, we would all like to thank **Tracey Kushniruk**, our Caretaker, for the remarkable job she does in keeping the Community Hall in such fantastic shape, year round.

This list is by no means complete; Parkview is filled with unsung heroes. As we head into the holiday season, please know that we appreciate your time, expertise and participation. Thank you for making Parkview a warm and vibrant community.

We wish you and your family a festive holiday season and a very happy new year!

HONOURING RENOVATION MONTH WITH COMMUNITY SERVICE WORK

Marie Soprovich

On October 22 and 23 of this year, a group of renovators and their suppliers belonging to the Canadian Homebuilders' Association - Edmonton Region (CHBA-ER) Renovation Committee, honoured the annual Renovation Month by organizing and delivering a community service project to a very deserving charity in the Edmonton area. "This is a first of its kind in Edmonton whereby local home renovation companies and their suppliers worked together to make a significant impact in the community by collectively undertaking a community-based charity project," says Renovation Committee council chair.

Committee members wanted to honour Renovators' Month in Canada with a renovation project that could be completed in a day or two and was for a charity that served a segment of our community that really needed our help. With the active help of several Renovation committee members a perfect project was found at the Pilgrims Hospice at 9808 – 148 Street.

The renovators and suppliers reported that it was really easy to get buy in from their teams to come together and work for this cause. On the day of the event there were over 30 people working on this project and over 20 companies represented. The results were phenomenal.

One of the organizing members reported that, "The renovation project consisted of repairing the roof and entry way at the back of the building, removing carpeting and replacing it with new flooring, repairing walls, baseboards and painting. We even added a few interior decorating touches to give it a final touch.

The hospice care workers were thrilled beyond words to think that a group of renovators and their suppliers would set aside their work load for a day or two to help their cause. The patients were equally delighted with the freshened space and the newness that the renovation brought." In the words of Deb Birkett, Director of Pilgrims Hospice, "Angels walk among us! Our clients LOVE the new space, and we all love having a safer and more inviting environment for them. Thank you all for gifting us with this wonderful project."

The mission at the Pilgrims Hospice is to provide supportive and compassionate family centred care to enhance the quality and dignity of life for those diagnosed with a progressive life threatening illness as well as solace to those who are bereaved.

It truly is wonderful to have such a service in our community for those who are at such a vulnerable time in their lives. The Pilgrims Hospice has many wonderful ways for all community members to get involved. They are currently fundraising for a new facility that will allow for patients to stay overnight and many other services that will enhance the quality of their end-of-life time.

PARKVIEW TOT TIME - COME JOIN US!

Jill Vihos

Are you a parent or caregiver with a child under six? Do you have free time on Tuesday mornings? If you said yes to both questions, please consider joining us at Parkview Community Hall for Tot Time!

Tot Time is long-standing volunteer program bringing parents, caregivers and preschoolers together in the Parkview Community. This program is a wonderful opportunity for toddlers and preschoolers to meet peers in the community while engaging in fun and physical activity. Tot Time also offers parents and caregivers a chance to create connections with community members.

Each Tuesday, Tot Time runs from 0900-1100 at the Parkview Community Hall. The Fall 2015 session will end on December 15 and the Winter session commences on January 12, 2016. To attend Tot Time, an active community membership is required for insurance purposes. Memberships can be from any community in the city.

The Tot Time program follows the same format each Tuesday. From 0900-1030, children engage in free play and craft construction. This is followed by snack time (please bring your own drink) and song circle. Each week, we collect a small fee of \$1.00 per child. This payment is allocated toward operational costs including craft supplies and toys, and seasonal parties.

Halloween Party

The annual Parkview Community Children's Halloween party was held on October 24 and was a tremendous success. Each year, the Children's Party provides the Tot Time program with an opportunity to acknowledge the Parkview Community League for both donating the community hall on Tuesday mornings and endorsing this wonderful event. Children attending the party enjoyed a variety of activities including; cookie decorating, craft construction, a sensory station, a haunted house, and an enormous bouncy castle. We offer our congratulations to the Beeston family who won the Pumpkin carving contest with their Minion pumpkin!

The "Suckers '4' Skaters" contest raised \$120 in donations to support the Parkview Community skating rink. The Parkview rink is a valued community resource that engages community members of all ages, and promotes outdoor fun, physical activity, and

community connections during the winter months. We sincerely thank all attendees who donated a guess, and congratulate Torri who won the prize jar by guessing the correct number of lollipops, 78.

Tot Time extends a sincere thank you to all of the volunteers who made this party possible, including the Tot Time families who kindly donated food, and the students from Parkview Jr. High School who helped to operate and clean up after the event.

We also extend a special thank you to Andy's IGA for their very generous donations of juice!

The 2015/16 coordinating team includes: Jenai Christensen and Jill Vihos. Please do not hesitate to email tottime@pvcl.ca if you have any questions.

Please join us Tuesday mornings, from 9:00 to 11:00 at the Parkview Community Hall. We look forward to seeing you there!

PVCL MEMBERSHIP HAS ITS BENEFITS

Join Your Community!

Have you purchased your community league membership this year? You many not know that memberships are valid from September 1st to August 31st similar to the school year. Although a community league membership is required for all community based programs, there are many benefits to having one even if your family doesn't utilize the programs or has outgrown them. These benefits such as community swims or skating are listed on the membership page. Memberships are also another way to support the community to provide other programming, general interest or activities as well as offer a sense of pride and belonging within the Parkview Area. To date, with the support of families and households living in the Parkview Community, we were able to provide a renovated hall space, new outdoor green space and our amazing brand new park! Buy your membership today!

As well as being able to purchase your membership at the various community programs like Tot Time, Soccer, etc., you may purchase your membership online at www.pvcl.ca and pay online through PayPal OR http://efcl.org/membership* OR you may use the form listed below and follow the mail in instructions.

Once you have used one of the above options, your membership card will be mailed to you by the membership coordinator, Robin Hobal.

Any families that bought a Parkview membership through the EFCL website and require skate tags should contact Robin at membership@pvcl.ca. They can be mailed out, dropped off or picked up from Robin or can be made available at the rink during skate times upon proof of membership. Thank you!

Furnace Cleaning

Home Comfort HVAC Tips

- 1) Change the furnace filter if required. A dirty filter restricts air flow to the furnace, causing it to overheat and break down.
- 2) Observe the humidifier while it's running. Make sure water is flowing but not leaking. Replace evaporater pad if required.
- 3) Run the furnace to observe proper sequence of operation. The flame should be blue with little yellow. Check belts for cracks, pilot strength, HSI cracks and flame sensor corrosion.
