EPSB Sector Planning Review 2010

Earlier this year the Edmonton Public School Board (EPSB) launched a review to assess the viability of a number of schools in communities across Edmonton. Parkview School, together with neighbouring public schools (Crestwood and Laurier Heights among others), are being assessed as part of the review of West 1 Sector schools to determine whether they will stay open, close or be consolidated/reorganized in some way.

Schools in mature neighbourhoods typically have more space than students and, as such, are considered to be operating below capacity. This under-utilization places a burden on the school and school board when it comes to operating costs (e.g., utilities, maintenance of aging infrastructure) and funding. In other words, not enough students are enrolled to make it financially feasible to offer programs and hire additional staff.

Parkview School

According to the EPSB's viability statistics, Parkview School does not meet the school board's requirements for the number of Elementary students. Parkview School does exceed the requirements for its Junior High enrolment. However, a historical decline in the school's enrolment over the past five years and the fact that there are five public schools within a 1.6 km radius of Parkview make the possibility of some kind of change at Parkview and its neighbouring schools likely.

President's Message - cont'd

Why is this review important to all Parkview residents?

The closure of a neighbourhood school affects the entire community. The loss of a school can set a community on a negative path, prompting

some families to leave while also making it less attractive for families with school-aged children to move in. This results in a further drop in the school-aged population, which leads to more school closures and the cycle repeats itself.

When a school is closed, a key building block integral to the community is lost. If this were to happen to Parkview School, what the building and land would be used for is uncertain.

So rather than face a school closure, we can encourage the EPSB to consider the interconnectedness of nearby local schools and work to find ways to make these local community schools and programs complementary. We don't need to see this as a NIMBY issue but rather as an opportunity to work with our neighbouring communities to ensure our schools remain viable and open.

One way is to encourage the EPSB is to work with local organizations to see if there are other ways of using the excess capacity at a school. For example, the City of Edmonton has a long list of non-profit agencies looking for space including arts groups, cultural groups, social and recreational organizations. Also, Parkview and Crestwood are underserved with a lack of Out-of-School-Care programs in the area. Encourage the EPSB to invite an OSC provider into the schools (like at Laurier Heights).

All of us living in Parkview know it as a wonderful, vibrant, engaged community. Keeping our local school open helps our community stay vibrant and thriving. Please take the time to support our school and our community by making your voice heard.

Parkview Redevelopment Society Phase III - Construction Revving Up Again

Construction on Phase III began in June to reclaim the old parking lot and create a new social space. Some decisions are being made along way as a result of design and architectural issues relating to the structure of our community league building.

The Parkview Redevelopment Society (PRS), in conjunction with the Parkview Community League, are address-

ing design, architectural and financial issues as needed; construction is expected to continue into early fall.

The PRS submitted a Community Facilities Enhancement Program (CFEP) grant application through the provincial government earlier this year. The committee recently received notice that the request has been denied. Despite this financial setback, PRS will use all of its reserve funding and

grant monies from the City of Edmonton to push the project through to completion.

We plan to again invite the residents of Parkview to join us for a **“Party in the Park” Grand Opening and Recognition Event** to celebrate the completion of the park revitalization project. Stay tuned for details.

To ensure your name will be permanently recognized on the new recognition wall, or if you are planning to increase your donation and rise to a new category, the deadline for donations is December 15, 2010. This is also the deadline for tax-deductible receipts.

Out with the old, in with the new...

With the completion of this last round of park enhancements, the current committee presiding over the park revitalization will be stepping down.

While so much has been transformed in the past several years, there are still a number of projects that need time, talent, energy and donations. There will be ongoing hall renovations such as painting and flooring, and eventually other renovation projects in the kitchen and bathrooms. There are also other significant projects such as the skate shack and rink improvements to consider.

All of the work done to date and planned for the future will better serve the wonderful families of Parkview. We are not just a neighbourhood, we are a vital family-oriented community. We invite you to be a part of future planning and progress that will continue to make Parkview a wonderful area in which to live.

If you want to want to be active in your community, or are able to help out with services or projects, please contact Val Bright at tvbright@shaw.ca as soon as possible.

Fundraising opportunity

Does your service club or sports team need additional funding or want to take on a community service project?

Parkview Redevelopment Society would like to encourage recycling in the park by placing enviro-bins for refundable bottles and cans. The bins will need to be maintained on a regular basis, presenting an opportunity for clubs and teams to raise funds while also being community stewards.

In exchange for collecting bottles and cans, groups would be allowed to keep all refund money.

The time frames for which groups will be assigned will be determined based on the level of interest as well as the order in which requests are received.

If you are interested in being a part of this opportunity, please contact:

A Unique Drama Program For Children and Teens

***Fostering:
Self-Confidence
Literacy and
Communication Skills***

Act My Story

(Ages 5-7) This joyful introduction to drama is designed to build confidence and self-awareness, nurturing each child's unique ability to express ideas. Storybooks, music, rhymes and special themes, will be used to inspire creative and interpretive movement, literacy, role-play, choral speech, singing, imaginary journeys, and story building.

Friends with Tales

(Ages 8-9) This group will explore literature-based themes and express ideas through creative movement, choral speech, dance drama, and acting. They will create and enact stories, adopt roles, and explore different courses of action that characters can take. Dramatization with puppetry, masks and mime will also be developed.

Myths, Legends and Twisted Tales

(Ages 10-11) Participants will build confidence and self-esteem by expressing themselves through drama and by putting themselves into the conflicts, actions and emotions of a variety of characters and situations. Improvisation, movement, voice, scene development, masks and script work all encourage participants to explore how others and the facets of self interact in the real world, and in the world of fiction.

Mystery, Suspense and Laughter

(Ages 12-15) There's been a murder! The only evidence is in the setting. Come and create characters and stories to solve the crime. Perhaps you are stranded on a deserted island. Can you survive with nothing but your teammates and your drama skills? Have fun and build confidence while using your imagination! Explore creative drama, improvisation, scripts and storytelling in a collaborative and encouraging atmosphere. Participants can choose to perform for others or just for themselves, based on group consensus.

Tot Time - Come Join Us This Fall!

By Stephanie Gregory
Tot Time Coordinator

Do you have a child or children in your care who are under 4 years? Do you have some free time on Tuesday mornings? If you answered yes to both of these questions then you should join us at the Community Hall for Parkview Tot Time!

Give your little one a chance to have some fun with other children and give yourself some time to meet other parents in our neighbourhood. The kids have free play time, followed by a snack and song circle. And don't forget there is also a weekly craft for the creative kids out there- Daddy, Grandma and

other loved ones always love to get handmade things from the kids.

Tot time is an informal drop-in gathering run by parents and caregivers. We meet on Tuesdays between 9:15 and 11:15am. The cost per child is \$1.00 which contributes towards operational costs. You must also have an active community membership, from any community in the city not just Parkview (this is for insurance reasons). The Membership Coordinator will be on hand for the first few sessions if you need to purchase your membership.

Please remember this group session can only run if everyone is involved! We need helpers to set up and clean up each session, and people to bring snacks and a craft once a term.

Your 2010/11 coordinators are: Andrea Archimowitz 780-633-5490, Stephanie Gregory 780-863-8864, and Melissa Johnson 780-486-2429. If you have any questions please feel free to contact any of us at anytime.

Now that summer is gone and we are all back to school, Parkview Tot Time is back on the calendar! **See you September 14th.**

The Parkview Playschool is a non-profit, parent cooperative school that is located on the 2nd floor of the Parkview Community League. We have 3 different classes for the upcoming school year. We have a 3-year-old class on Tuesday and Thursday mornings, a 4-year-old class on Monday, Wednesday and Friday mornings, and a 3/4 blend class on Monday, Tuesday and Wednesday afternoons. The afternoon blend class has the 3 year olds attending Monday and Wednesdays and the 4 year olds attending all three afternoons. We currently have spots available in our afternoon class for 3 and 4 year olds for the 2010-2011 school year. If you are interested in a quality playschool program in your community, please contact our registrar, Gareth Swinnerton at 780-488-8665 or gareth.swinnerton@gmail.com.

Please mark your calendars for the following dates:

Open House Dates:

- Thursday, September 9, 2010 (3 yr old class) 10:00 am to 11:30 am

Parkview Playschool is directed by a volunteer executive and is a subgroup of the Parkview Community League. As a non-profit parent cooperative, all parents are required to volunteer for in-class roster duty approximately every 12 to 16 classes, one toy wash per year and one fund-raising activity. As well, parents are asked to contribute or donate occasional supplies, assist with fieldtrips, special events and the option to participate on the executive board.

Our teacher, Merri-Ann Wojcicki achieves the goals of the Parkview Playschool through classroom activities, such as:

- Free play - allowing children to create, explore, share, problem-solve, play cooperatively, etc
- Calendar, weather, etc
- Story time, sing-a-long and action songs, etc
- Exercise, games and gym-time
- Music and stories on tape and rhythm instruments

- Crafts, painting, colouring, cutting, creating
- “Show and Share” and “Busy Bee” responsibilities
- Class parties on special days throughout the year
- Field trips, special events and invited visitors
- School readiness skills

As fall approaches and the relaxed summer schedule returns to "normal" we look forward to focusing on a new season of programs and activities for adults. It has been 10 months since the initiation of the Adult Programs and we are happy to report a growing interest.

FIRST AID/CPR COURSE

Thank you to the Parkview Playschool for spear heading and arranging a First Aid/CPR Certification course to be offered to the adults of Parkview.

If you are interested in attending please contact MerriAnn Wojcicki by email at: w5family@telus.net. Once those interested have committed to attend, dates will be arranged for early this fall, and the non-refundable prepayment accepted.

PARKVIEW BOOK CLUB

Thank you to everyone who has responded with a request for a Parkview Book Club. All those interested in joining are invited to attend.

WHAT: The Inaugural Meeting of the Parkview Book Club!
WHEN: Monday, September 20, 2010
TIME: 7:00 PM

Plans for the first meeting are to decide on such things as what type of books everyone would like to read as a club, and when and how often to meet. We look forward to seeing the direction it takes from there.

If you are planning to attend please RSVP to Elizabeth Coenen by email at: eecoe@shaw.ca.

SCRAP BOOK CROP

- Love of Order
- Self Confidence
- Self Discipline
- Concentration
- Joy of Learning
- Learning through Discovery**

We provide an orderly environment for your preschooler that nurtures their self respect and inner discipline. We pave their way in discovering their inner brilliance and wisdom, and the joy of life long learning.

We believe that a solid concrete academic foundation is essential at this early stage, such as counting beads before working with abstract concepts of written numerals, finger writing on sandpaper letters to enhance recognition, and sensorial education to help develop logical and sequential thinking.
