8th Annual Christmas Craft and Bake Sale

By Val Bright

Craft Sale/Fundraising Coordinator

The 8th annual Christmas Craft and Bake Sale, held on November 28th, was, once again, a very successful event with huge crowds and tremendous fun for the children. The kids come to tell Santa what they want for Christmas and once they have finished disclosing their wish list they spend the

rest of their afternoon making gingerbread houses, roasting marshmallows and hotdogs, entering their work of art in the coloring contest or simply shopping the craft tables. Hay rides, compliments of Parkview Community league, are always a favorite event with lineups for seats on the horse-drawn wagon.

ings included hand made jewelry, pottery, knitting, scarves, Christmas decorations, wood carvings, cards and much, much more.

The women of the community also prepared a Ukrainian home made lunch which has proven to be a favorite. Good job ladies!

With the children so busy, parents can enjoy the time to shop from the 27 different tables of handcrafted items. This year's offer-

President's Message

By David Smith
PVCL President

Many people have asked me about the **Ice Rink** and why it was not available last winter. They will probably be asking the same question this spring.

The rink costs a sizeable amount of money and time to run each month of operation (November to March), and the people and funds are not there to mount the extra effort.

It's disappointing, we know, but the biggest shortfall is personnel. We have had a few fellows express an interest in helping out, but we saw time commitments getting in the way.

It's understandable. For years, we ran the rink with the assistance of our hall maintenance person, who was at the hall each and every night and able to provide significant extra supervision and support to run the facility. It was a big commitment of time and effort that went far beyond what could be reasonably expected of an external ice rink supervisor / contractor, and an effort well worth more than the \$1,500 in monthly compensation we would provide.

Such a resource is not available to us any longer, so **we needed to find a person willing to:**

- Set up the rink in the fall - clear the snow, flood the rink area (it's grass, so the ground needs to be frozen but cleared of snow) until it freezes and keep flooding until it is ready for skaters in December;
- Be at the hall every night of operation to open and close the rink - open the facilities, switch lights on and off, open the rink change rooms - from 5:30 p.m. to closing;
- Keep the rink cleared of snow and flood as needed once the skating is finished;
- Make sure skaters are using the ice properly - no rough play, etc.
- Additional duties as we need them....

As you can see, it's a big job, made no easier by the grass surface in the rink. The executive is moving ahead with plans to finish the planned hall renovations (which may include new bathroom facilities in the change rooms). One that would be good for the whole community would be a new ice rink with a concrete surface, new boards, etc. But these projects

are pricey - the last estimate for a new rink was around \$250,000 to \$350,000.

Hall users will note the new tile throughout the entrance and small boardroom. We had the tiles installed just before the Christmas break to address in part an occasional problem with water backing up and soaking the carpet and leaving a wet messy smell. The tile also fixes the long-standing issue of that little hump in the floor as you walk into the gym.

We are now looking to proceed with painting the entrance so that it matches the new tile. The hall also is past due for painting and we were considering asking for **volunteers to help paint**. We don't need professional painters as it is not a difficult job. Anyone interested in signing up could contact our hall rental manager, Val Bright. Her contact information is on the executive sheet. Other renovation plans are in the works, and we are looking to put together a central plan and budget to tackle some of the long-standing issues with the hall. If you enjoy supervising renovations (and really, who doesn't!), perhaps you could bring your enthusiasm and planning skills to the next community league meeting. They run September to June, third Wednesday of each month, usually at the hall and always at 7 p.m.

In other upcoming events, we are thinking again about having another **Spring Cleanup & Garage Sale Event** this year. Last year's was our first and a big success. Like its predecessor, this year's garage sale will be sometime in May. More details to come.

As well, the biannual **Volunteer Appreciation Evening** is coming up May 8th. We will set up an email address for the event after March to which attendees can RSVP. Look for more details on our hall sign, on the web site and in the next newsletter.

Safety Corner

By Danae Kortmann-Watts
Community Safety Liaison

Don't Make It Easy...

Headline in the Edmonton Journal on Thursday, January 28, 2010:

Thieves target west-end garages; Residents make things easy when neglecting to lock doors, police warn.

"Police are warning people to lock their garages after several break-ins in West Edmonton. There have been 10 robberies since Jan. 9 -- three in Laurier Heights, six in Parkview and one in Crestwood. In most cases, police said, the garage doors have been unlocked, giving thieves easy access."

Edmonton Police service has great information on their website to help inform Edmontonians on how to keep safe. Here are some highlights, for more detailed information log onto www.edmontonpolice.ca.

Vehicle Safety Tips:

- Park in a sensible place, avoiding unlit areas at night.
- Remove the ignition key and activate the steering lock.
- Lock your doors and close all windows.
- Hide your valuables out of sight or take them with you.
- Take extra keys out of your vehicle.

Garage Safety Tips:

- Keep your garage locked, even when you are at home.
- Secure your other garage doors with deadbolts.

- Install lights near your garage to keep the area lit.
- Never leave your automatic garage door opener in a vehicle that is parked outside your home.

Community Safety Tips:

- Get to know your neighbours – residents should become familiar with the routine in their neighbourhoods.
- Be aware of strangers and look out for each other.
- Leave keys and emergency phone numbers with a trusted neighbour.

•Keep up appearances – a well-tended neighbourhood is less attractive to criminals and vandals.

Report all suspicious activities and/or individuals to the Edmonton Police Information Line at (780) 423-4567 and if you see a crime in action call 9-1-1.

Christmas Craft and Bake Sale Continued...

For more photos from our Christmas Craft & Bake sale, please visit www.pvcl.ca

Val Bright, coordinator of the event, could not be there that day but you would not have known it thanks to the help of very efficient elves. "I wish to thank and acknowledge dear friends and family that didn't hesitate to take on the task.

I would especially like to thank Nancy Davis, Charlene Maillet, Debbie Miniaci, Carmella Adshead, her dear mom, Michelle Paonessa, Louise Clarke and Annissa Brodie who made this event possible." Val adds, "I would still be rolling the dough if it wasn't for the help of Sue Pasemko who helped with the pies and

deserts and Ann Sinnott who helped me with the perogies."

There were also many volunteers from the community who helped to pull this event together and make it the fun filled community event that it is. The craft and bake sale raised \$2579 which will go towards Phase III of the Park Redevelopment planned for spring 2010.

THANKS TO OUR BAKERS AND HELPERS!

Every year we ask members to donate baking for the community table. Thank you to the following bakers:

Sandy Young, Tracey Gill, Tanya Gilbody, Sharon Jeske, Susan Pasemko, Bev Laboucane, Andrea Kristiansen, Jodi Brown, Elsie Lefebvre, Laura Verbeek, Val Coenen, Elizabeth Loenen, Natasha Pasemko, Jamie Pasemko

Thanks also to the young elves that volunteered to supervise the children's activities: Justen and Brayden Lackey,

Caitie Talty, Tori Alfaro, Andrew McNicoll, Taylor Bright, Anna, Court and Page Davis, and Jonah Mallet

And thanks to all the 108 Girl Guides for their big help!

Stay tuned for more park action!

Over the winter months, the efforts of the Parkview Redevelopment Society have been dedicated to grant reporting and grant writing. Reporting is nearly done on previous grants and a new grant application is underway for the Community Facilities Enhancement Program (CFEP).

Phase III plans will be tendered in early March, with work anticipated to begin in

early spring. By summer, the old parking lot will be replaced by green space to complete a fully rejuvenated park and grounds surrounding the community hall.

This final portion of the project also encompasses a concrete patio, turf, benches and picnic tables, a fire pit area, additional plantings, and some minor improvements to the trails. The doors, windows, and patio covering will need to be designed and completed as part of a separate project encompassing hall renovations

and will require architectural services. If you are interested in providing professional services, please see the section on "Bringing in the experts" below.

As always, your support for the project is critical to securing the optimum amount of grant funding. Please consider a donation or an additional amount to your previous donation.

Donations may be sent to:
Valerie Bright
c/o 14019 – 90 Avenue
Edmonton, AB T5R 4T7

'Bringing in the experts'

Lending your time or expertise is another significant way to assist this community project. The Parkview Redevelopment Society is inviting members of the community to assist the project by providing professional services or advice.

The PRS is currently in need of an **accountant** to audit the financial reporting for a provincial government grant. If you are able to provide that service, please contact a project director.

Engineering and architectural advice will be required for the design and completion of the patio area. Other work will include door and window installation, painting, and electrical changes.

Services donated in-kind are also eligible on our grant applications. As hall renovations move forward and work begins, donated professional services would be immensely valuable.

Please call Nancy Davis at 780-489-5191 or one of the other project directors as soon as possible if you are able to help.

YEAR ROUND REGISTRATION!

Lacrosse

Lacrosse is Canada's official sport of summer. It is an aboriginal game developed in eastern North America. Lacrosse has two disciplines which are played in Edmonton, Box Lacrosse and Field Lacrosse.

Box Lacrosse is played by boys and girls from 5 to adulthood. It is played in an arena, after the ice is taken out and the season runs from mid April thru to the End of June with provincial play occurring after that. Girls play on girl's teams from pee wee level up. It is a fast and exciting game, similar to ringette and basketball, and goalies and nets similar to hockey.

The Wizards lacrosse club hosts

winter box lacrosse in the East Edmonton Soccer Center information on dates is located on the Greater Edmonton Lacrosse Council website as well as the Wizards website. Winter box is a great way to experience lacrosse, the Wizards have sticks available for use and you would require a helmet and gloves and running shoes to take part.

The first registration for lacrosse for the 2010 Box season will occur at Rexall Place on January 30th from 11 to 3 pm. If you come to register for lacrosse that day, you will be included in a draw for a free registration, and every child who registers will receive a ticket to the January 30th Rush Lacrosse Game.

January 30th sees our 4th annual GELC – Edmonton Rush Pee Wee Tournament at Rexall its an opportunity for our young players to experience playing in a National Lacrosse League Arena and on their playing surface. This is a highlight of many young lacrosse players lives come on out and see the game. Many young people aspire to join the playing ranks of the NLL and One young north Edmonton resident Shane Lopatynski was drafted by the Edmonton Rush of the NLL this season.

Field Lacrosse is played outside on a field similar to a soccer field, field lacrosse information and registration can be found on the GELC website or by emailing

edmlax@telus.net. Field lacrosse is played by boys and girls and many Edmonton boys currently go on to colleges and universities in the United states on lacrosse scholarships.

Kirby Zdrill a former member of the Wizards lacrosse club, and current member of the Edmonton Eclipse Junior A team was the first Canadian Drafted by Yale University to play lacrosse. Kirbys family resides in the community of Lago Lindo.

Third Eco Station now open

A new Eco Station in the City's south west is making it easier for residents to dispose of their waste in an environmentally responsible way. The Ambleside Eco Station, located at 14710 Ellerslie Road, is a new drop off point for household hazardous waste (HHW), electronics and items too large for regular collection.

Edmonton's two other Eco Stations are running at full capacity. In the last five years, traffic at Eco Stations has increased an average 16 per cent each year. This third Eco Station will relieve pressure on existing facilities and meet future demand as the City grows.

Edmontonians know it's important to bring household hazardous waste to an Eco Station rather than putting it out with regular garbage. Waste from Edmonton houses, apartments and condos goes to a composting facility where organic material like food waste, grass and leaves is composted while non-compostables like plastic and

textiles are filtered out. Keeping HHW out of the garbage maintains the high quality of compost produced. As a bonus, most material brought to an Eco Station is recycled. Paint, motor oil, car batteries, computers and electronics are just a few examples.

In 2009 for instance, Eco Stations recycled 170,456 fluorescent light tubes (which contain toxic mercury). Laid end to end, they would span 208 kilometres, or the approximate distance from Edmonton to Edson.

Eco Stations are open Tuesday to Saturday, 9:00 a.m. to 4:30 p.m. and are located at:

Strathcona: 5150-99 Street - Enter on 99 Street only
Coronation: 11440-143 Street
Ambleside: 14710 Ellerslie Road SW (now open)

For more information on what you can take to an Eco Station visit edmonton.ca/waste or call 311.

Parkview "Adults" Have Spoken

Thank you to everyone in the community who responded to the Adult Programming request for suggestions of the types of activities you would like to see offered. While we plan to explore all ideas suggested there are a few areas that were requested more often:

- **Sporting Activities**
- **Food and Beverage related activities such as Wine Tasting, Cooking Classes and Meal Making Club**
- **Crafts such as Card Making Workshops and Scrap Book Crops**
- **Social Dance Classes or Club**
- **Book Club**
- **Games Nights including card and board games**

Winter Activities In The Park

We are happy to report that we have been able to make progress in a couple of these areas. Starting in March we are offering three separate social sporting evenings and have also begun the ground work for putting together other activities and clubs.

As a kick off to Adult Programs we are pleased to offer Winter Activities in the Park! The cost per session is \$15.00/person and will take place at Laurier Park. Join the fun for one or more evenings and come alone or plan to register with friends. We recommend registering early as there is a maximum □

Cross Country Skiing: Thursday March 4 from 6:30-8:30pm

Fun and safety are emphasized in this ski evening.
 Practice your new skills while you play games and tour the trails.
 All equipment and instruction will be provided.

Snowshoeing: Thursday March 18 from 6:30-8:30pm

Come out and enjoy an old favourite using aluminium snowshoes for a new twist.
 Learn to climb and descend slopes until your cheeks are rosy.
 All equipment and instruction will be provided.

Geocaching: Thursday April 22 from 6:30-8:30pm

Use your navigation skills and GPS units to find hidden caches in the park.
 GPS units and instruction will be provided.

For more information and to register please visit our community website at pvcl.ca.

NEW!

In addition to the Winter Activities in the Park there are now two new clubs in Parkview you can join:

Book Club

Thank you to Elizabeth Coenen for volunteering to be the contact person for a Parkview Book Club. Please email Elizabeth at eecoe@shaw.ca if you are interested in joining. Please let her know your first choice of evenings, times, and how often you would like to meet. Once we have heard from all those interested we will be able to figure out the details.

Scrap Book Crop

Thank you to Laura Verbeek for offering to take the lead in organizing a neighbourhood Scrap Book Crop. Please email Laura at laura.verbeek@gmail.com if you are interested in attending and a date and time will then be arranged.

We also wanted to offer a quick reminder that many programs for adults already exist in the community. Parkview Yoga is in full swing - email Kerri at yoga@pvcl.ca. Ladies Sports Night takes place on Thursday evenings at Parkview School - call Jay at 780-484-2482 for further information. Card Sharks meet Wednesday at 1:00 in the Community Hall Boardroom - call Elen Jones at 780-483-8156 for further information.

We look forward to seeing many neighbours out at the events and please let us know if you have any ideas you'd like to share. We will continue to try and grow Adult Programming in the direction provided by all of you!
