AUGUST 2023

## HELLO FROM YOUR PARKVIEW COMMUNITY LEAGUE BOARD!

We hope this reaches you in cheerful spirits, enjoying mosquito bite-free strolls through the streets and ravines of Parkview in another beautiful Edmonton summer. We have much to share about our community's latest happenings, apprise you about our upcoming events, and announce the exciting programs planned for the fall.

We had an exciting early summer season of community events that highlighted the vibrant spirit of our Parkview community. First and foremost, our thanks and appreciation go out to everyone who made these events a roaring success.

Our Big Bin & Hall Clean-Up event saw impressive participation, with two 40-yard bins filled with spring cleanup for the hall and from local contributions. We are grateful for the 30 dedicated individuals who devoted hours of their time to this initiative, resulting in a cleaner and more inviting community space.

We carried into the summer season with the "Parkview Days": our Food Truck Event & Beach Volleyball Tournament. It was a memorable day filled with attendance by local politicians, an array of food trucks, a fiercely fought volleyball tournament, and an endless supply of refreshing beverages.

The outdoor youth soccer season under EMSA wrapped up with hard-fought wins, tiring losses, and tons of community spirit. None of this would have been possible without our dedicated coaches and volunteers who showed up day in and day out, regardless of the weather or challenges that came their way. We are so grateful for your tireless efforts, passion for the sport, and commitment to our community's children. Your influence extends beyond the soccer pitch, teaching our children about teamwork, dedication, and sportsmanship. We extend our sincere gratitude on behalf of the Parkview Community League Board and every family that participated in the soccer season. We are incredibly fortunate to have such devoted individuals in our community.

## PARKVIEW DAYS: A CELEBRATION OF COMMUNITY SPIRIT AND SPORTSMANSHIP!

What a spectacular day it was! After nearly eight years of hard work and anticipation, our Food Truck Event & Grand Opening Beach Volleyball Tournament, now known as Parkview Days, came to life on June 10th. The event was inaugurated by three local politicians, marking the culmination of countless hours of volunteer work.

Imagine this: 72 beach volleyball competitors battling it out on four brand-new courts under hot, sunny, glorious 25-degree weather. The air was filled with the aroma of delicious food from seven food trucks and the sound of laughter and cheers from hundreds of our neighbours. By the end of the day, we had devoured every last morsel from the food trucks and drained a thousand beverages!

Special appreciation goes to our Outdoor Revitalization Committee Volunteers and Beach Volleyball Board Members: George Chrones, Deanna Jackson, and Richard Van Soest. Your tireless dedication over the years has given our community a beautiful facility to enjoy.

A huge shout-out to Amanda Good for planning and hosting a kick-off party that exceeded all our expectations. From face painting, DJ-led tunes and obstacle courses to a variety of food and drinks, you ensured there was something for everyone.

To our sponsor Premier Property Services Ltd.: thank you for the ice cream for the kids! That line-up never ended.

To our wonderful community: take a bow! You showed up in full force, cheering for the players, enjoying the food, respecting the hall/property, and, most importantly, celebrating each other. You truly made this event one for the history books.

Congratulations to the winners of the tournament! Your skill and sportsmanship were a joy to watch. Cool Hits was the winner of the tournament, with the Sandbaggers coming in second, and Block Party coming in third.

So, here's to the memories we made and the ones yet to come. We can't wait to see you all again next year for another round of Parkview Days! June 15th 2024 - mark your calendars!

## VISION ZERO PUBLIC ENGAGEMENT

### Parkview Neighbourhood

The City of Edmonton is exploring a Vision Zero Street Lab in Parkview after hearing about street safety concerns in the area. Vision Zero Street Labs use adaptable traffic calming measures to address traffic safety concerns such as unsafe speeds, shortcutting, and pedestrian safety.

The City would like to explore residents' perspectives and gain insights into your lived experiences and traffic safety concerns. City staff will use these learnings to determine if a Street Lab is appropriate for your neighbourhood.

We want to hear from people who use all modes of transportation to get around the city. This is where we need your help!

## ENGAGEMENT OPPORTUNITIES

**July 25 - August 23, 2023**

The public engagement opportunities listed on the next page are available for all residents. You are welcome to participate in as many as you'd like.

All of the online tools are hosted at [engaged.edmonton.ca](https://engaged.edmonton.ca), which will be a hub for information about this project moving forward. The Parkview Street Lab project page on Engaged Edmonton will launch on July 25, 2023.
