

parkview COMMUNITY NEWSLETTER

MAY 2024

HELLO FROM YOUR PARKVIEW COMMUNITY LEAGUE BOARD!

Dear Parkview Community League Members,

This edition of our newsletter not only celebrates the spirit of volunteerism that thrives within Parkview but also brings you an important update on the Street Lab project that promises to enhance the safety and mobility in our neighbourhood.

Gratitude for Our Casino Fundraiser Volunteers

First and foremost, a huge thank you to all our volunteers who dedicated their time and effort at our recent casino fundraiser. Your willingness to help does not go unnoticed, and it is your collective spirit that truly makes our community special. The event was a tremendous success, largely due to your enthusiasm and hard work. Whether you dealt with chips or money or assisted in coordinating the activities, your contribution has been invaluable. These efforts not only foster a stronger community, but also ensure that we can continue to support our beloved Parkview in various upcoming projects and initiatives.

The Casino Fundraiser is our largest fundraiser for the League and funds keeping the lights on at the Hall for 2+ years. Thank you all for your help!

Exciting Developments from the Street Lab

Turning to an exciting development that has been brewing since last year, the City of Edmonton conducted a Street Lab in our neighbourhood. For those unfamiliar, a Street Lab involves temporary street modifications that aim to enhance pedestrian safety and traffic management. The feedback and data gathered from these interventions have been crucial in shaping the future of our streets.

We are thrilled to announce that the results from the Parkview Street Lab are now available and can be accessed here:

<https://engaged.edmonton.ca/ParkviewStreetLab>. Based on these outcomes, the Safe Mobility engineering team is diligently working on drafting a concept plan specifically for Parkview. This plan is on the cusp of being finalized, and once the engineering plans are stamped, we look forward to the opportunity to connect with you all.

The anticipated installation of the Street Lab enhancements is scheduled for August-September 2024. Rest assured, all residents will receive a public notice in their mail from the City of Edmonton at least two weeks prior to the commencement of work. This notice will outline the specific measures to be implemented. Additionally, a digital copy of this notice will be shared with the Parkview Community League, local schools, and our project update email list to ensure that everyone is kept in the loop.

As we look forward to these developments, let us continue to engage, participate, and shape the future of Parkview together. Your active involvement and feedback are what guide us in making our community a safer, more enjoyable place for everyone.

Thank you all for a wonderful spring and here's to a great summer!

Membership Counts

The Parkview Community League relies on your support and participation! While a large part of our budget comes from casino dollars, we need membership dollars too! Just some of the benefits include access to the free weekly Community SwimTime at one of the City pools, reduced rates for passes to City of Edmonton Recreational facilities (pools and leisure centres, eg, Commonwealth Rec Centre, Kinsmen, JP, Confederation), and skate tags that allow you to use the ice rinks at any League rink in Edmonton. Membership is also required in order to join League programs (Brownies, Guides, Karate, Preschool, Tot Time, Yarn Nite, Soccer). Members also receive a discount on the use of the Hall once per year. You can get your membership online: www.efcl.org

Spotlight on Volunteerism

We would like to recognize those who stepped up as team officials for indoor soccer. Without these individuals we would not have been able to host a season.

IMPORTANT

Wanted: Parkview Community Soccer Coordinator

We will not be hosting soccer teams in Parkview for future seasons unless we find a Parkview Community Soccer Coordinator immediately.

Are you passionate about soccer and community engagement? Join us as the Parkview Community Soccer Coordinator and continue the fantastic work already established in our soccer program!

This role is within an established program with equipment and processes in place. Every community who would like host teams must have a soccer coordinator. This current outdoor season will be our current soccer coordinator's last season. We need to know by June 1 if we plan to host indoor teams for the upcoming indoor soccer season.

Responsibilities:

- Distribute equipment to team officials and collect it at the end of the season.
- Manage volunteer team officials.
- Create teams for the outdoor season (indoor season teams are created centrally).
- Attend three meetings per year, hosted by EMSA. These meetings are in the evening.
- Manage the soccer email inbox.
- Manage the EMSA soccer portal (to organize players, teams, and parents).

Requirements:

- General knowledge of soccer gameplay (to distribute equipment).
- Excellent organizational and communication skills.
- Passion for community engagement and fostering a love for soccer.

This role does not include:

- Coordinating field reservations and schedules for practices and games (including make-up games).
- Canceling games due to weather.
- Recruiting team officials.
- Managing referees.
- Organizing team photos.

This part-time position is provided a \$200/month honorarium. Although this is a year-round position, the commitment is flexible. The heaviest time for this position is in October/November and March/April for season start-up. December, July, and August have little to no commitments. This role is approximately 30 hours per year.

This is a great opportunity to make a little extra money, work on your own schedule (mostly at home) and make a huge impact on the Parkview Community. If you're interested, we'd love to hear from you! To apply, please contact April at president@parkviewcommunityleague.ca by May 31st. If the position is not filled by June 1, 2024 we will not be hosting future soccer seasons.
