

parkview COMMUNITY NEWSLETTER

HELLO FROM YOUR PARKVIEW COMMUNITY LEAGUE BOARD!

As another summer begins to wind down, the Parkview Community League Board of Directors would like to thank everyone who helped make it such a successful season in our neighbourhood.

One of the highlights of the summer was Parkview Palooza on June 13, which once again brought neighbours together for a day of great food, entertainment, activities, and community spirit. The Board extends its sincere thanks to the volunteers, sponsors, performers, vendors, and attendees who helped make the event another memorable success. Community events of this scale simply wouldn't happen without the many people who generously give their time and energy.

Our beach volleyball season is also nearing its conclusion after another fantastic summer. The courts have been busy throughout the season, and it's been wonderful to see both returning teams and new participants enjoying one of Parkview's favourite summer traditions. Thank you to everyone who helped organize and participate in another successful year.

The community hall has remained active throughout the summer as local kids took part in summer dance camps, bringing plenty of energy to the neighbourhood and kept the hall well used.

Summer isn't over just yet. Be sure to mark your calendars for the Parkview Community Garage Sale on Saturday, August 30. Whether you're hosting a sale, browsing for hidden treasures, or simply enjoying a walk through the neighbourhood.

As September approaches, the Preschool is looking forward to welcoming families back as preschool

begins another year at the community hall. Fall also brings the return of several community favourites, including our Pancake Breakfast and Pub Nights. These events are always a great opportunity to reconnect after the summer months, and everyone is encouraged to join in.

While community events are often the most visible part of what the League does, they represent only a portion of its work. Throughout the year, Board members work with residents, the City, and community partners on issues that affect Parkview today and into the future. Recent neighbourhood discussions have demonstrated just how much residents care about preserving and enhancing our community.

The Board is always looking for neighbours who would like to become involved. If you've considered volunteering, serving on a committee, or joining the Board of Directors, this is an excellent time to get involved. Engaged residents help ensure the Community League continues to reflect the interests of the neighbourhood it serves.

Finally, thank you to everyone who contributes to making Parkview such a vibrant place to live. Whether you've volunteered at an event, coached a team, attended a program, supported a fundraiser, or simply participated in community activities, your involvement helps strengthen the connections that make this neighbourhood so special.

The Board wishes everyone an enjoyable end to the summer and looks forward to seeing many familiar and new faces at our upcoming fall events.

Warmly,
Parkview Community League Board of Directors

The Neighbourhood in Bloom Program

is a community-led initiative in Edmonton that celebrates beautiful, well-maintained gardens while encouraging neighbourhood pride and connection.

Led by the Edmonton Horticultural Society in partnership with participating Community Leagues, the program recognizes residents who enhance their front yards, balconies, and green spaces with creativity and care.

By showcasing local gardens, the initiative inspires others to beautify their properties, supports environmental sustainability, and strengthens community spirit. Building on the legacy of the former Front Yards in Bloom program, Our Neighbourhood in Bloom continues the tradition of making Edmonton's neighbourhoods more vibrant, welcoming, and connected.

Keep your eyes out for the signs and thanks to volunteers for walking our neighbourhood and selecting the recipients.

Restrictive Covenant Townhall: Update & Next Steps!

A huge thank you to everyone who joined us for our **Restrictive Covenant (RC) townhall on June 23** and took the time to fill out our community survey.

We had some fantastic discussions, and the results are in: **78% of survey respondents are in favour of an RC!**

This is an incredibly strong starting point, but we need community-wide support to make this work.

Thank you for helping us shape the future of our neighbourhood!

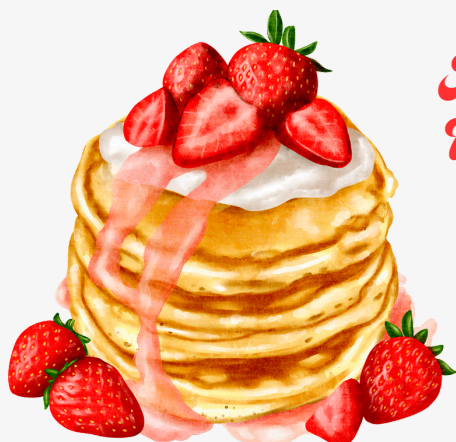

P.S. This initiative is not endorsed, nor run, by the Parkview Community League Board.

We're a group of your neighbours on 88 Avenue and 147-148 Street. On April 24, we were at the Subdivision & Development Appeal Board fighting two multiplex rental permits approved next door. A single developer has now acquired five properties within a 50-metre radius. Others are being courted. Drive through Jasper Place, Glenora, or Crestwood to see where this ends.

**Here is how you can help us
take the next steps:**

Watch for Canvassers: Keep an eye out for volunteers coming door-to-door in the near future to answer questions and gather official support.

Spread the Word: Talk to your neighbours and help us work to protect our community!
